INTRODUCTION

The aim of St. Peter the Apostle Catholic School is to provide a Christ-centered atmosphere in which each child can be challenged to strive for the highest possible level of formation, both spiritual and academic. The administration, faculty, and staff strive to instill a love for truth and a love for learning in each student. If effective learning is to take place, an atmosphere of study and Christian conduct must exist. All students are expected to practice self-control and good order at all times for the common good of the school. St. Peter the Apostle Catholic School looks to the home for support and cooperation in the implementation of these directives. **Your attendance at St. Peter the Apostle Catholic School indicates your willingness to comply with the school's policies, procedures, and regulations found in the school materials and handbooks.**

HISTORY OF ST. PETER THE APOSTLE CATHOLIC SCHOOL

St. Peter the Apostle School originated in 1952 as the White Settlement Mission School. That year, it opened its doors to 22 kindergartners and 39 first graders. It gradually expanded to include all grades. It was in 1969-1970 that St. Peter's seventh and eighth graders attended Nolan High School. In 1955, the Benedictine Sisters from Lisle, Illinois came to staff the school. They served St. Peter's until 1966. The school Sisters of Notre Dame replaced them in August 1966 and stayed until 1980. In 1958, the children from St. Paul's Parish were bused to St. Peter's. The school auditorium was used for church, parish hall and cafeteria. The barracks buildings were purchased from Carswell Air Force Base to ease crowded conditions. In 1964, the school worked for accreditation. It added four classrooms, a teacher's lounge, and two offices for administrative purposes and renovated the kitchen area. In 1970, St. Peter's students were transported to St. Paul's Parish School. During that period until 1977, the school was known as St. Peter and Paul's School. In 1982, the students returned to St. Peter's present facility. There was enrollment of 160 students, three Notre Dame Sisters and five lay teachers. Over the next several years, an upgraded program was provided to meet the needs of the students. In July of 1981, Sr. Mary Helen Fuhrmann was employed by the school board to administer the K through 6th grade program. There were 158 students that year. It was that same year that the school employed its first secretary and the following year, the school accounts were separated from the parish accounts. In 1982, an after school daycare program was opened to provide care for the students until 6:00pm. There was a growing need for this program due to an increasing number of working mothers. Walls were built to separate the classrooms in the lower grades. In 1984, a Pre-Kindergarten program began for the four-year-olds. In 1987, the Government Lunch program was discontinued. In 1991, Sister Mary Helen left St. Peter. The school's first lay administrator was selected, and Debora Herrera (1992-2004) began the 1992-93 school year. The school's enrollment began to increase in the late 1990's and the decision was made to add seventh and eighth

grades back to the school. In August 2000, the school opened a new junior high facility to better serve sixth, seventh, and eighth grade students. The building features a new library, science lab, and lunchroom facilities. Mrs. Barbara Graybeal served St. Peter's as principal for the 2004-2005 school year. Ms. Erin Vader served as the principal from 2005 until the end of the 2009-2010 school year. Dr. Cindy Cummins served as the principal from 2010-2013. Over the spring and summer of 2012, the school received a complete renovation thanks to the supporters of the St. Peter's *Remember, Rebuild, Renew* campaign and the Diocese of Fort Worth. Ms. Christina Mendez served as the principal from 2013 until the end of the 2016 school year. Mrs. Lisa Giardino is the current principal for St. Peter the Apostle Catholic School

A history can simply be a record of dates, or it can be a record of achievements. St. Peter the Apostle Catholic School is proud to have recorded numerous achievements during its 60 year history. Among them are the following: a committed faculty, relevant curriculum and innovative programs, the continued success of its graduates, the return of many graduates as parents of St. Peter students, and the support and commitment of the families toward a value-based Catholic education.

The school was accredited by the Texas Catholic Conference in 1987 and again in 1997 and in 2007. St. Peter the Apostle School received numerous exemplary and outstanding ratings and full accreditation status each of these times.

Our school community looks forward to on-going achievement and development as an integral part of St. Peter the Apostle Catholic Parish. We are proud of our past history and look forward to the future with enthusiasm.

ST. PETER THE APOSTLE CATHOLIC SCHOOL

MISSION STATEMENT

St. Peter the Apostle Catholic School exists to provide an inviting Catholic community, a challenging academic curriculum and unlimited opportunities to grow in virtue.

PHILOSOPHY

The philosophy of Saint Peter the Apostle Catholic School stems from our belief that we are all Christ's hands here on earth. From this conviction, it follows that each of us has a personal responsibility to recognize the inherent worth of our lives and the lives of others. We are called to do whatever we can to see that potential, both of others and ourselves, reach its fulfillment. To that end, we should do all that we do to the best of our abilities as our way to honor the gifts God has given us.

Saint Peter the Apostle Catholic School seeks to be an agent of the Catholic Church, educating its students both in the individual ways they can be in service to God and in the ways they can be of service as part of a community. Saint Peter the Apostle Catholic School is supported in its endeavor by Saint Peter the Apostle Catholic Church: the pastor, staff, and faith community as a whole. We seek to help create believing, contributing members of the Catholic Church, both in the present and the future. We also seek to create members of a world community, who see their place in, and their connectedness to, the rest of the world.

Goals and Objectives

1. Develop a spiritual and moral life for the students through a variety of liturgical celebrations, prayers, sacraments, daily religious formation, and service to the community.
2. Promote a challenging academic program through standards-based curriculum that supports the needs of each student and encourages individual achievements, effective study skills, and life-long learning and work habits.
3. Instill an appreciation for cultural diversity and fine arts through instruction and experiences in foreign language, art, music, and theater.
4. Integrate technological resources in instruction to enhance the overall educational experience for the students and families.
5. Encourage a healthy lifestyle through physical education and athletic programs and a health curriculum that promote a life-long health and fitness habits.
6. Foster personal growth and individual responsibility through opportunities to make choices that serve the greater good.

CATHOLIC EDUCATION

Parents, as well as those who take their place, are obliged and enjoy the right to educate children. The duty and the right of educating belong in a unique way to the Church which has been divinely entrusted with the mission to assist young men and woman so that they can arrive at the fullness of the Christian life. Among educational means the Christian faithful should greatly value schools, which are of principle assistance to parents in fulfilling their educational task. Parents should cooperate with the school's teachers to whom they entrust their children to be educated, while teachers have the duty to collaborate closely with parents through associations and meetings.

A NOTE TO STUDENTS ABOUT PROCEDURES

This handbook's purpose is to help make Saint Peter the Apostle Catholic School a really good place to be. We want every student and teacher in the school to be happy and comfortable in the place where we all spend so much of our day.

One of the ways we can achieve this is by having a clear understanding of what is expected, why it is expected, and what the results are when these expectations are not met. This particular handbook sets down for students those expectations that affect them. These policies are a collaboration of federal and state laws as governed by the State of Texas, policies as mandated by the Fort Worth Catholic Diocese, and rules as approved by the St. Peter the Apostle Catholic School Advisory Council.

This handbook is not intended to cover all diocesan and school policies and procedures. The purpose is to provide information about the most common areas that affect students and parents at SPS.

For more information, clarification, or to address topics not covered, please contact the school principal. The principal reserves the right to amend the handbook at any time. In all cases, the definitive interpretation of the handbook remains solely with the principal.

ACADEMIC RESPONSIBILITY

Parents often ask how they can help their child in school. What can they do to ensure success? While some of the responsibilities may seem simplistic, they are all essential. As you can see, it takes more than teacher input. It also takes a firm commitment from students and, equally important, parents. What happens in school is only a small part of the educational process. The follow-up at home, by both student and parents, is vital for success.

As parents and educators, we are dedicated to helping children to become responsible citizens. Students must learn not only responsible conduct behavior but also responsible academic behavior. To this end, students, especially Upper School students, are ultimately responsible for completing their own assignments and homework and for remembering to bring their own books, homework, assignments, and materials to class. Students are **discouraged** from calling home for forgotten books, homework, or materials.

Although teachers try their best to notify parents if students have lost books or materials or have received zeroes for missing assignments, it is the ultimate responsibility of the student to keep track of school assignments, grades, and materials and to relay this information to his or her parent. Students should make arrangements with teachers or outside tutors for extra help if further academic assistance is needed. At the beginning of the year, teachers will send home the times they are available to give students extra help.

The Teacher Will:

- Present material
- Explain the subject
- Model material
- Answer questions

- Provide practice

- Reteach and clarify
- Assess and grade

- Encourage students
- Create a safe environment

Acknowledge **QUALITY**

The Student Will:

- Listen to presentation
- Question if uncertain
- Follow examples
- Record assignments

- Review daily lessons discussed in class
- Do homework and turn it in on time

- Honor due dates
- Have required supplies

- Keep track of materials
- Be prepared for class

Strive for **QUALITY**

The Parent Will:

- Make school a priority
- Provide quiet work area
- Provide student supplies
- Monitor homework and due dates
- Ensure daily review in all academic subjects
- Reward good work and provide consequences for poor work
- Ask to see graded work
- Encourage reasonable bedtime

Encourage **QUALITY**

ASSIGNMENT BOOKS/PLANNERS

School assignment books/planners are required for students in grades 1 – 8. The school has specially designed planners, which are purchased from the school, for students in grades 1-5. Students in grades 6-8 provide a planner of their choice. All students will use these assignment books daily. Teachers will try to ensure that students write their assignments in their books, and parents will check assignments books on a regular basis.

CONFERENCES

All students will have two (2) scheduled Parent/Teacher conferences per year: following the first and third quarter grading periods. Additional conferences may be scheduled according to need. Special conferences are necessary when a student's work and/or behavior deteriorate to the extent that his/her welfare and that of his/her classmates suffer.

CURRICULUM

The curriculum of St. Peter the Apostle Catholic School is the adopted curriculum of all schools in the Diocese of Fort Worth, which is based on the accreditation standards of the Texas Catholic Conference on Education and on national standards as outlined in the curriculum of the Archdiocese of Hartford. The curriculum includes Religion and all subjects required by the State of Texas and Texas Catholic Conference.

Instruction is in accord with the Curriculum Standards provided by the Diocese of Fort Worth. The PK – 8 curriculum covers a basic set of core subjects in religion, math, science, social studies, language arts, Spanish, physical education, art, music, and computer technology. Textbooks are selected from the Diocesan-approved textbook list and are used to support instruction of the curriculum.

EARLY CHILDHOOD PROGRAM

Children must be 4 or 5 years old by September 1. Classes are held from 7:55 a.m. to 3:10 p.m.

Kindergarten - 5K (An all-day program held five days a week)

A "developmental/academic" curriculum offering phonics, math, science, art, music, large and fine motor activities, social studies, Spanish, computer concepts, and language skills.

Pre-Kindergarten - 4K (An all-day program held five days a week)

A Kindergarten "readiness" curriculum offering manipulative activities in language arts, math, science, art, music, large and fine motor skills, social studies, computer concepts, and social interaction.

MID-TERM/FINAL EXAMS

Students in the Upper School will take mid-term and final exams. Tests will be administered for academic and preparation purposes. Exams help students to recall curriculum and skills previously taught and to prepare students for taking exams when on a high school level.

HOMEWORK

It is the policy of St. Peter the Apostle Catholic School to give homework. The purpose of homework is to foster habits of independent work-study; to reinforce learning that has taken place in school; to bring the home and school closer together; and to relate school learning to out-of-school interests. It is essential that students be instructed in the importance of daily homework

assignments. Each student must keep a written account of homework. This is his/her responsibility. Please make it a practice to ask your child about homework and also about papers to be signed.

A reasonable amount of homework will be assigned daily. Homework time will vary in length and intensity depending on the student and the grade level. Students are expected to complete all homework assignments. Academic and/or behavioral consequences are applied when homework is not completed. Homework is a necessary part of serious academic study and should be completed on time every day. Parents should supervise the completion, but should **NOT** do the assignments.

Diocesan Policy Regarding Homework

- Students in Grades 1, 2, and 3 should have 30-45 minutes of homework daily.
- Students in Grades 4 and 5 should have 30-90 minutes of homework daily.
- Students in Grades 6, 7, and 8 should have 1 - 2 1/2 hours of homework daily.

Homework in the Case of Absences

See "Absence and School Work" in this Handbook.

Late or Incomplete Homework (Grades 1 – 8)

Late and/or incomplete homework will receive a grade deduction or possibly a zero depending upon the age of the child and the subject.

PROGRESS REPORTS

A progress report will be issued at mid-quarter each nine weeks to all students in grades K - 8. Parents sign and return these reports to the issuing teacher within a week of receipt. Parents may make appointments to discuss progress reports with the teacher through the school office.

REPORT CARDS

Report cards are issued four times a year at the end of each quarter for grades PK - 8.

GRADING CODE

| | | |
|---|----------|---|
| A | 94 -100 | Used for some subjects and by primary grades: |
| B | 86 - 93 | N Needs Improvement |
| C | 76 - 85 | I Improving |
| D | 70 - 75 | S Satisfactory |
| F | below 70 | |

PROMOTION AND PROGRESSION THROUGH GRADES

Progress through the grades is a matter of achievement in the basic skills as well as of age, maturation, social and civic development. It is expected that the majority of students will be well-adjusted and will move through the adopted course of study at the rate of one grade per year. However, some students may experience difficulty in mastering the academic phases of the school program and will profit more from school if retained one grade. **Special consultation with the parents, teachers, and principal will be arranged in sufficient time in each case.** The final decision regarding a student's promotion and/or class placement within a grade rests with the school.

ACADEMIC RESPONSIBILITY CONTRACT

An Academic Responsibility Contract may be issued to a student who insists that he or she wants to attend St. Peter the Apostle School but whose past academic performance has been unsatisfactory. Specific requirements for improvement will be tailored to the student's individual needs and will be spelled out in the Academic Responsibility Contract. Such a student and his/her parent or guardian must sign an Academic Responsibility Contract with the school administration that spells out renewed cooperation.

CONDITIONAL PROMOTION AND RETENTION

Based upon teacher recommendation, test scores, and/or observation by the school personnel or other professionals, a student may be conditionally promoted or retained if the student experiences difficulty in mastering the academic phases of the school program.

Grades 6 - 7 - 8

Any student in grades 6 - 8 who has an "F" average in any of the six core subjects at the end of the school year will not be promoted to the next grade until the following condition has been met.

- Students in grades 6-7-8 who fail one or two core subjects must attend summer school or be tutored by a qualified tutor and pass with a 70 or better to be promoted to the next grade.
- Students in grades 6-7-8 who fail more than two core subjects will not be promoted, and summer school/tutoring will not be an option. Eighth grade students who fail more than two core subjects may not re-enroll at St. Peter the Apostle School. Re-admittance to St. Peter the Apostle School for students in grades 6 or 7 who fail more than two core subjects will be at the discretion of the Principal and may require the student's receiving a psycho-educational battery of testing and/or counseling before repeating the same grade level at St. Peter School.
- Students who fail summer school/tutoring will not be promoted and may not re-enroll in St. Peter the Apostle School.

Core subjects for grades 6-7-8 are the following: religion, English, literature, math, science, social studies.

Grades 2 - 5

- Students in grades 2 – 5 who fail a core subject will prepare for the next grade by attending summer school or by being tutored by a qualified tutor.
- Students in grades 2 – 5 who fail social studies or science will prepare for the next grade by completing a summer project assigned by the teacher or by attending summer school.

If summer school is not available, an alternative course of action will be suggested by administration. Core subjects for grades 2-5 are the following: religion, English, reading, math.

Grades PK – 1

Promotion of students in PK, kindergarten, and first grade is made on the ability to do the next grade level's work.

In the case of a student's possible retention, special consultation with the parents, teachers, and principal will be arranged to address the problem and to propose solutions. The final decision regarding a student's promotion and/or class placement within a grade rests with the school.

ADMISSIONS, REGISTRATION, AND TUITION

AGE FOR ENTERING SCHOOL

St. Peter the Apostle Catholic School follows the state regulation. All students must be the correct age or older by **September 1** of the year entering for grades PK-2. Administration must see birth certificates and shot records for all new students. A physical is required for all new students. All younger students must be totally toilet trained.

RE-ENROLLMENT

General Information

Re-enrollment at St. Peter the Apostle Catholic School is not automatically extended to every student. This privilege is reserved for those students for whom St. Peter the Apostle Catholic School has the most appropriate program and whose academic progress and behavior/attitude indicate a willingness to engage cooperatively in spiritual and academic growth. Students may be denied enrollment at any time during the school year if attitude, behavior, and academics become negative. Parents are expected to be supportive of the school's philosophy and the educational efforts put forth by the teachers, administration, councils, and pastor. The attitude and behavior of parents and their willingness to follow school procedures and requests are also a consideration for re-enrollment of their children.

Parental Cooperation

Parental cooperation is required for continued enrollment. Parents are expected to cooperate in good faith with the implementation and enforcement of all St. Peter the Apostle Catholic policies and procedures as stated in the Handbook and requested by the principal. Parental behavior or failure to cooperate shall be grounds for removal of any student from the school. Additionally, parents are expected to speak and act in a Christian, positive manner. Disrespectful behavior, vulgar language, verbal or physical abuse may cause a situation where a family may be required to withdraw their child(ren) from the school, or a family may not be invited to return the following year.

The operation of the school is based on the following factors:

- The best interest of the child(ren) is the first consideration in all administrative procedures, practices, and decisions.
- The teacher is the key factor in instruction, and every child should be instructed by well-qualified professional personnel.
- The high standard of education should be maintained by continuous evaluation and revision of the curriculum, organizational structure and methodology based on the latest valid research, changing goals in society, and school objectives. Close communications should be maintained among the pastor, principal, teachers, parents, and the community.

RE-REGISTRATION OF EXISTING STUDENTS

Students in all grades will re-register for the following year in February. A non-refundable registration fee is required at that time. The administration reserves the right to review each re-registration and, with due consideration, welcome back students or refuse readmission.

REGISTRATION OF NEW STUDENTS

Registration of new students will begin in February of each year for the following year.

Applicants must present the following:

- Official state birth certificate
- Official baptismal certificate (does not apply to non-Catholics)
- Health certificate, signed by a physician, reflecting compliance with state law regarding immunizations
- Payment of registration fee
- A child entering Kindergarten must be five years old on or before September 1.

TUITION

Registration fees are due at the time of registration. Tuition is paid through FACTS Tuition Management Service. Payments are based on a 10-month or 12-month payment cycle. Full payment may be made by August 1. More information is available on our web site under the heading “financial,” or you may contact the Parish/School Bookkeeper, Mrs. Sylvia Mendez, through the parish office.

If you are interested in financial aid, or are having trouble paying tuition, please contact the principal or the bookkeeper as soon as possible.

Tuition Assistance

Tuition Assistance is available on a limited basis. Applications for tuition assistance should be made when registering in February. All applications, whether for tuition assistance from the Diocesan Bishop’s Scholars, St. Peter the Apostle Catholic School/Parish, or other services, are made through Private School Aid Service (PSAS). PSAS applications are available in the school office or online through the school website.

Tuition Delinquency Policy

Tuition is due by the date stated in the student handbook. Failure to make tuition payment by 45 days past due date will place student(s)’ class attendance and enrollment at risk. If payment is not made (or arrangements for payment) by 60 days past due date, student(s) will not be permitted to continue to attend classes. When payment (or arrangements for payment) has been made, the student(s) will be permitted back in class. If student(s) is not in attendance for 8 consecutive class days because of delinquent tuition, St. Peter the Apostle Catholic School may terminate enrollment.

If a check/debit for tuition or other payment has been returned twice, payments must be made by cash, money order, cashier’s check, or credit card.

FEES AND FINES

St. Peter the Apostle Catholic School will withhold the release of report cards and transcripts if the student owes outstanding fees or fines for the following: tuition and/or cafeteria payments, Extended Day payments, defaced, damaged, or lost books, books not returned, library fines, or Service (Volunteer) Program fees.

Fees, Fines, and Non-Tuition Related Monies Delinquency Policy

Fees and or fines for cafeteria payments, Extended Day payments, lost/damaged books or equipment, library fines, Service (Volunteer) Program hours not completed, and fundraising money are due by the date(s) stated by St. Peter the Apostle Catholic School. If payment for these owed monies in excess of \$50.00 is not made by 30 days past the due date, the student(s) will not be permitted to continue to attend classes. When payment (or arrangements for payment) has been made, the student(s) will be permitted back in class. If the student(s) is not in attendance for 8 consecutive class days because of delinquent monies, owed, St. Peter the Apostle Catholic School may terminate enrollment.

WITHDRAWAL

If a family leaves St. Peter the Apostle Catholic School before the end of the school year, formal written notice must be provided to the Principal a minimum of 15 calendar days prior to the last day of attendance. Tuition will be due through the last day of attendance, or through a minimum of 15 calendar days after formal written notice is provided, whichever is later.

ASBESTOS

An asbestos inspection was completed on February 6, 1981. Non-friable asbestos-containing materials (ACM) were found in the floor tile mastic of the principal's office restroom. ACM were also found in the chapel hall closet, the main hall closet, and the portable classrooms under the metal siding. There is an asbestos sign in the main hallway warning of the hazard. An asbestos management plan has been filed with the EPA. A copy of this plan is on file in the parish office and is available for parents to review. Asbestos Hazard Emergency Response Act. (AHERA) An updated inspection was completed in November 2010. The suggestions made were taken care of, and all areas show compliance. Six month periodic checks are documented.

ATTENDANCE AND ABSENCES

ABSENCE POLICY

Students are expected to be present and on time every day. Permission for "special absence" (short or long) must be prearranged. Parents may call or write a note to the principal explaining the situation beforehand. A student is responsible for work missed because of absences. Parents are encouraged to schedule vacations during regular school breaks. Missing several days of classes is detrimental even to the strongest student and causes additional hardship to the teacher.

Students who are in attendance less than 90% (162 days) of the school year may be in jeopardy of advancing to the next level. Repeated unexcused absences may be considered grounds for summer school, suspension, retention, or even dismissal. All cases will be reviewed, and final decisions will be determined by the Principal.

EXCUSED ABSENCE

An excused absence is one over which the family has no control, such as:

- Student illness,
- Serious illness or death in the family
- School-sponsored trips, or
- Emergency

Medical or dental appointments, etc., are to be scheduled outside school time. Exceptions will be made if absolutely necessary, but only after a note from the parents and an appointment card from the doctor, presented either before going or upon returning from the appointment, have been submitted to the office.

A major goal of any school is to teach responsibility to the student. **STUDENTS SHOULD NOT BE OUT OF SCHOOL FOR FAMILY VACATIONS, SCOUT TRIPS, SKI EXCURSIONS, ETC. If a parent believes that a student should miss school for any reason other than illness or a family emergency (such as a death in the family), the parent must contact the Principal in writing in advance of the absence. These absences may be unexcused.**

UNEXCUSED ABSENCE

Any absence that does not meet the above criteria is unexcused. A student's absence from school due to an out-of-school disciplinary suspension is unexcused.

ABSENCE AND SCHOOL WORK

In case of illness, a parent must notify the office before 10:00 a.m. A written excuse from the parent is required each time a student has been absent (even if the parent has called), clearly stating the date and reason for the absence, and is to be presented to the teacher on the day the student returns. This written excuse may be turned in or emailed directly to the teacher. Excessive absences (failing serious illness) may result in the student being asked to withdraw from the school. Permission of the principal is required for a student who has been absent (all or part of the day) to participate in extracurricular activities, and will be given only in unavoidable circumstances.

Books and assignments for a student in grades 2 - 8 who is ill may be requested by calling the school office by 10:00 A.M. Calls after 10:00 A.M. cannot be honored because teachers may not have the free time to prepare the work. The books and assignments may be picked up in the school office after 3:20 P.M. Please make every effort to pick up requested work. Students (or parents) should check RenWeb and call a classmate for the homework missed when absent.

Each student is to complete all work missed during an absence. It is the responsibility of the student to obtain and complete assignments covered during the period of absence and to make arrangements with the teacher for make-up tests and other help at a time convenient for the teacher. Students are allowed to make up work for excused absences. A student is allowed one day to make up work missed for each day of absence unless the work was due the day of the absence. Make up work for unexcused absences will NOT be given a grade.

Long-term assignments, such as science fair projects, book reports, research papers, etc., will need to be brought to school by 8:00 A.M. on the day they are due whether the student comes to school or not. Grades will be lowered for long-term assignments handed in late.

PROCEDURES REGARDING ABSENCES AND LATE ARRIVALS

- If a child is absent, parents must call the school office before 10:00 a.m. to inform the administration of the nature of the absence.
- A written excuse will be required from parents after a student's absence. **A note from the physician is required when the child has been absent 3 days or more.**
 - Students leaving before 10:00 AM will be counted absent all day.

APPOINTMENTS AND EARLY RELEASE

Doctor, dentist, and other pre-approved appointments will be excused. However, appointments should be scheduled before or after school if possible. If appointments outside the school day are not possible, they should be scheduled so that students do NOT miss the same class on a regular basis. It is difficult for students to make continued progress if they often miss the same class.

All students who leave campus during the school day must bring a note to the teacher in the morning, and be picked up and signed-out in the school office. Please allow ample time for students to be picked up.

Excused Appointments

A note should be sent with the student to the homeroom teacher if the child is to leave early for a doctor, dental, or any other excused appointments, which has been approved by the principal. Parents should sign the student out in the school office. If the student returns to school after an appointment, a parent must sign the student in at the school office. A doctor's note is required when the student returns to school.

Early Dismissal or Illness at School

Parents are required to sign out students leaving the school for any reason. Students will not be permitted to leave with anyone other than a parent unless there has been **written authorization from a parent**. The authorization note must also include a phone number for verification. Identification may also be requested.

The school will be unable to call a student for early dismissal after 3:00 p.m. unless a parental note was provided, or a call was made, to the office by 10 a.m. that morning.

TARDINESS

Teaching children to be on time starts very early. When they arrive on time and are picked up on time, children are learning life long skills. Students should arrive at least by 7:45 A.M. so that they can begin promptly. Parents, please cooperate with your child's education by ensuring punctuality. Absence and tardiness interfere greatly with student progress, and tardiness, in particular, causes classroom disruptions.

Students arriving after 7:55 A.M. are considered tardy, and must be signed in by their parent

Excused Tardiness

Tardiness to school will be excused for the following reasons:

- Court appearance (parent note and court notice required)
- Car accident
- Doctor/Dentist appointment (doctor's note required)
- Extenuating circumstances with administrative approval

Unexcused Tardiness

Oversleeping, car problems, and traffic are not usually excused. In cases of major traffic accidents by the school or excessively bad weather, the principal will announce to the faculty that students arriving a few minutes late to school will be not be considered tardy.

Consequences for Unexcused Tardiness

Each student begins with a clean slate for tardies at the outset of each quarter, even though tardies are listed cumulatively on the report card. **Consequences will be given for tardies each quarter.**

3 tardies

- Call, e-mail, or letter to parents

5 tardies

- Call, e-mail, or letter to parents
- Family billed \$10.00 for tardiness

6 tardies

- Call, e-mail, or letter to parents
- Family billed \$5.00 for each additional tardy over 5 in a quarter.
- Families may be required to attend Saturday School. Please note- **Families** will be required, which means student **and** parent.

Students in Saturday School due to tardies in both semesters may be ineligible to re-enroll.

BUILDINGS

Students are expected to take pride in the physical setup of the school. It is our intention to keep the school buildings and grounds neat and clean. Students are reminded not to mark or deface any school property. Damage to any school property must be compensated.

The Teachers' Lounge is **ONLY** for school faculty and staff. It is **off limits** to parents, students, and children of parents, faculty, and staff. Any mail or communication for the teachers, SAC, or Home and School may be given to the Administrative Assistant to deliver. Home and School has a room in which to meet and work. It is located in the eastern-most building next to the Extended Day rooms. Keys to the Home and School Room may be obtained from the Administrative Assistant.

CAFETERIA SERVICE

For students buying their lunches, lunch is preordered and prepaid by month. Ice cream and other snacks are available for purchase. Food and drink are not to be removed from the cafeteria.

Students may bring sack lunches and purchase milk or juice. Carbonated soft drinks may not be brought and will be forfeited. Sweets and "junk food" are not allowed. If a child forgets his/her lunch, we will try to serve them a meal prepared by the cafeteria service. We will send a notice home for payment when this happens.

Students are expected to sit in their chairs properly and use good table manners at all times. Students will not play with, throw, or sell their food.

Guests are kept to a minimum due to space and time. Parents, grandparents, out of town visitors, and alumni are welcome and must sign in at the office to obtain a visitor's pass prior to entering the cafeteria.

CARPOOL PROCEDURES AND SCHOOL HOURS

Traffic Plan

Parents/guardians are asked to cooperate with the traffic plan designed for the safety of the students. Parents are requested to follow the flow of the traffic plan and to park in designated school parking lots when conducting school business. If **you** do not follow this plan, you may be putting **your** child's safety in jeopardy.

Morning Prayer begins promptly at 7:50 A.M. School supervision begins at 7:30 a.m. and ends at 3:30 p.m. Please deliver and pick your child up on time. Students should arrive no earlier than 7:30 A.M. All students left after 3:30 p.m. will automatically be placed in Extended Day. A fee will be charged by Child Care.

Arrival Time

PK - 8.....7:30 A.M. - 7:45 A.M.

Dismissal Times:

PK - Grade 4.....3:10 P.M.

Grades 5 - 83:20 P.M.

Multi-Grade Level.....3:20 P.M.

Arrival Procedures

- The doors will open at 7:30 a.m. The school cannot accept responsibility for any students arriving before 7:30 a.m.
- Students must enter through the front school doors; all other doors will be locked.
- Students may be dropped off and will be supervised at the gym from 7:30 – 7:50 A.M. Students will sit in designated areas in the gym until their teachers pick them up from the gym.

Afternoon Dismissal and Pick Up Procedures

- Dismissal time is 3:10 for Elementary School (PK – Grade 4) and 3:20 for Junior High (Gr 5 - 8) and for carpools with both Upper and Lower School classes.
- Upon dismissal, students will stand inside the school with their classes. Older siblings may be asked to stand with younger siblings. Teachers and staff will walk children to their cars. Parents may park in the front of the school and walk inside to retrieve their student(s). For the safety of the students, parents are encouraged to use the car lines. Students may not walk to the cars themselves, unaccompanied by an adult.
- Staff members will walk Lower School students to the Upper School carpool area for pick up of children in multi-age carpools.
- Staff members will walk Extended Day children to the Extended Day area. Any students left after 3:30 p.m. will automatically be placed in Extended Day. This ensures all parents of safe supervision in case of a transportation emergency. A parent occasionally running late can be assured his/her child is safe.
- If there is a change in your after school plans for your child, please try to contact the school office by 2:00 p.m. If an adult other than the usual driver comes to pick up a child, please let the school office know in **writing that morning**. Please be sure your substitute driver is

aware of the dismissal policy. Drivers unfamiliar to the staff should be prepared to show identification. We want to be sure your children are safe.

Early Dismissal

On early dismissal days students will be dismissed at 12:00 p.m. On most Early Dismissal Days, Extended Day will be available for those who need it. Children left after 12:15 p.m. will be placed in Extended Day and be charged the drop-in fee. Students staying in Extended Day on early dismissal days must bring a lunch.

CHANGE OF ADDRESS, TELEPHONE NUMBERS, OR E-MAIL

Please notify the school office in case of a change of address, telephone number, or e-mail, home or work. It is the responsibility of the parents to maintain current and accurate information on the emergency card and with the school office.

CHANGE OF CLASS

For both courtesy and safety, students should be in single file and should stay to the right. When traveling through doorways, the first student to reach the door should hold the door open for the rest of the class. During change of class, Junior High students are permitted to get a drink and go to the restroom. Students remaining in the classroom should be in proper decorum. Going to lockers is allowed ONLY at certain times, not between every class, so Junior High students need to be sure that they have all their books and supplies needed for the required classes. A Junior High student who enters a classroom for instruction after the beginning bell of the class is **TARDY.**

CONFERENCES

Our goal at St. Peter's school is to make sure all of our teachers are available to answer all of your questions. In order to make sure parents' needs are met, we ask that parents make appointments to speak with the teachers. By making an appointment, parents are sure to have the undivided attention of the teacher, prepared to answer any questions the parent has. We cannot conference at the start of the day or at dismissal as our focus must be on the students. Also, we ask parents to make sure to take advantage of our scheduled parent/teacher conferences during the year.

Conferences with the principal should be arranged by appointment through the school office. Conferences with the assistant principal or teachers are by appointment and should be scheduled by leaving a message on voice mail or e-mail. Teacher voice mail extensions and e-mail addresses can be found in the School Directory and on the SPS website.

COMMUNICATION **E-MAIL AND VOICE MAIL**

Teachers' school e-mail addresses and voice mail extensions are listed on the St. Peter the Apostle Catholic School Website and in the School Directory. Some teachers prefer that you contact them by e-mail, and others prefer contact by telephone voice mail. Please check with the individual teacher about the most convenient method of contact.

FAMILY FOLDER AND OTHER FORMS OF COMMUNICATION

In order to facilitate communication and to keep the parents informed of the happenings at school, St. Peter the Apostle uses the following:

- Wednesday folder
- Weekly newsletter
- St. Peter the Apostle Catholic School Website - www.spsfw.org.
- RenWeb
- Monday information email
- Meet the Teacher, Open Houses, Family Fun Nights, Parent/Teacher Conferences
- School Advisory Council and Home and School Meetings

Students will take home a Wednesday folder each week, with papers for parent(s) to look over. Weekly the principal and the school office will also insert a newsletter, containing any pertinent information, upcoming events, changes for the student body, important dates, and achievements of our students and staff. Newsletters will also be posted online on the school web site. Please take the time to look for and read this important information. Students and parents are responsible for all information included in the school newsletters.

TELEPHONE

- Telephone calls may be made to the school office at 817-246-2032 between 7:30 A.M. and 4:00 P.M. Messages of an urgent nature will be delivered to the students. The office is not open on Saturdays, Sundays, or holidays.
- The receptionist will immediately make any calls with reference to accidents or illness of a student.
- Students may not make telephone calls during school hours without permission from the school office and/or from their teacher. Students must use the office phone.
- Students will not be allowed to use the school telephone to contact someone to bring forgotten items such as homework, textbooks, lunches, etc., to school.
- Cell phones are not allowed in school. If a parent wishes their child to have a phone for after school hours (off campus), the cell phone must be given to their teacher for safe keeping upon arrival. The phone will be given to the student at the end of the day, unless the student is going to Extended Care, when the phone will be turned over to a staff member. If a student is caught with a cell phone at an unauthorized time, or using it in an unauthorized manner, the phone will be confiscated and given to the principal. Parents must come in to claim the phone from the principal.

COMPUTER ETHICS FOR ALL STUDENTS

St. Peter the Apostle Catholic School is proud to offer all students access to our school's computer networks and the Internet. The Internet is provided for students to conduct research and to obtain educationally appropriate material for school purposes only. Access to these network services is given to students who agree to act in a considerate and responsible manner. This access is a privilege - not a right.

COMPUTER ETHICS VIOLATIONS

Students are responsible for good behavior on school computer networks just as they are in a classroom or a school hallway. In addition, a copy of the "Technology Acceptable Use Policy" is found in the Appendix of this Handbook. The "Technology Acceptable Use Policy Agreement" is signed by the student and parent at registration and is kept on file for the duration of the student's enrollment at SPS. The following are not permitted:

- Willfully damaging computers, software, computer systems or computer networks
- Trespassing in, modifying, moving, or deleting another's folder, work, or files FOR ANY REASON
- Using the network or Internet to plagiarize or violate copyright laws
- Intentionally wasting limited resources or printing without permission
- Employing the network for commercial purposes
- Use of floppy disks, CDs, or flash drives (regardless of source or content) without the permission of the network administrator
- Using the network to send, deliberately access, or display offensive and/or obscene messages or pictures
- Using computers to access material that is profane or obscene, that advocates illegal acts, or that advocates violence or discrimination towards other people
- Using the network or Internet to harass, insult, or attack others
- Entering chat rooms, blog sites, or posting sites such as MySpace, Xanga, LiveJournal, Friendster, Facebook, Excite, Talk City, ICQ, etc.
- Checking or sending e-mail
- Downloading software from the Internet without the permission of the network administrator
- Changing, modifying, or adding software/hardware of any kind
- Accessing the Internet or using computers without permission from the teacher.
- Removing orange Speedskins from the computer keyboard after the teacher has instructed students to use Speedskins to improve word processing skills.
- Because the Web is a public forum with unrestricted access, St. Peter the Apostle Catholic School restricts permission for the posting of information related to the school, our staff, and our students on the Internet. The posting of any information in any format related to the school on any Web site, bulletin board, chat room, e-mail, or other messaging system that is deemed threatening or impugning to the character of another person is subject to disciplinary action.

CONSEQUENCES OF VIOLATION

Violation of the policies and procedures of St. Peter the Apostle Catholic School concerning the use of computers and networks will result in disciplinary action:

- **First Offense:** Student will lose computer privileges/Internet access, plus detention. Length of privilege suspension will be determined by the administration/teacher.
- **Second Offense:** A student may be removed from class and recommended for in-school suspension
- **Third Offense:** Expulsion may be considered in flagrant violations that blatantly corrupt the educational value of computers, of the Internet, or instances when students have used St. Peter the Apostle Catholic School Internet access to violate the law or to compromise another computer network.

- **Computer Damage/Breakage:** A student or the student's parents will be responsible for any computer damage or breakage costs caused by that student.

INTERNET GUIDELINES FOR HOME

In addition to school policies for Internet access, the following suggestions are made for our families to review with their children or use in establishing their home rules:

- Avoid chat rooms
- Avoid blog sites, such as MySpace, Xenga, LiveJournal, Friendster, etc.
- Realize that sites you access will trigger similar material on your computer for years
- Never give out last names of family or others
- Never give out addresses or specific locations (towns or streets) of any outings, meetings, games, practices, etc.
- Never give out phone numbers of family or others
- Never arrange a rendezvous
- Tell an adult immediately if something seems unusual or inappropriate
- Avoid students having own e-mail accounts with their own private passwords
- Keep computers in a room that is accessible to all family members
- Avoid sites that look or sound inappropriate
- Know that some sites can be "teasers" and it may not be clear what it is. If you get into one, exit immediately and inform your parents
- Consider establishing a specific time of day where only that time can be used for access by children, thereby providing greater supervision
- Consider the purchase of filtering software
- Notify your Internet service provider if you begin to receive inappropriate material

CONDUCT AND DISCIPLINE

Realizing that self-control is essential to good classroom order and to effective education, St. Peter the Apostle Catholic School expects from students a sense of responsibility for their own behavior and provides a supportive process for helping the students achieve self-discipline. Discipline policies set consistent, firm, and reasonable limits for behavior. To assist students in the process of achieving self-discipline, the faculty emphasizes the principles of conduct: respect, reverence, and responsibility.

The primary purpose of St. Peter the Apostle Catholic School is to prepare students to live effectively in the present as Christian young people and in the future as Christian adults. Consequently, the academic and spiritual development of students takes the primary position in relation to all other school programs and activities.

CODE OF CONDUCT

The following five standards of conduct are offered as guidelines to the development of responsible, civic-minded, Christian students.

1. Exercise self-control.
 - Use courteous language.
 - Resolve conflicts in a mature manner.

- Be appropriately dressed and groomed, and otherwise comply with the school's uniform policies.
 - Be honest.
 - Make ethical and morally responsible choices.
2. Demonstrate a positive attitude.
 - Take a leadership role.
 - Be polite.
 - Be cooperative.
 3. Respect the rights and feelings of others.
 - Behave in a manner that does not disrupt others.

 - Complete school work, projects, quizzes, and tests on one's own.
 - Participate in class activities.
 - Obey classroom policies.

CONDUCT IN PUBLIC PLACES

The people of the White Settlement and Fort Worth area look to St. Peter the Apostle Catholic School students to conduct themselves in public places as an indicator of the education they are receiving at St. Peter the Apostle Catholic School. Therefore, it is their duty to conduct themselves in an appropriate and well-behaved manner at all times.

ACTIONS AND CONSEQUENCES OF CONDUCT

Academic and Behavioral Awards and Honors

Students who take their academic and behavioral responsibilities seriously and achieve superior grades and conduct will be recognized with appropriate awards and honors:

- Students (grades 1-8) who achieve all A's (excluding penmanship and with no Xs in conduct) will be placed on the "A Honor Roll---Principal's Honor Roll."
- Students (grades 1-8) who achieve no grade lower than a B (excluding penmanship and with no Xs in conduct) will be placed on the "A/B Honor Roll---Honor Roll."
- Students (grades 1-8) who achieve Perfect Attendance (no absences) will be recognized with Perfect Attendance certificates.
- **Student of the Month**---Each month teachers will select one student to be "Student of the Month" based on a child's achievement in and out of class. Selection may be based on academic performance, attitude, helpfulness, etc. and is made at the teacher's discretion. The students of the month have their pictures posted outside the school office for one month. The school provides a yard sign for one month, proclaiming "St. Peter Student of the Month." Children's names are published in the St. Peter parent newsletter. Names will be displayed on

the school marquee. And all students of the month may wear "Spirit Clothes" each Wednesday during his/her month.

Academic Consequences

Students who choose not to fulfill the academic expectations of SPS also choose penalties:

Elementary School (Grades K - 4)

- Failure to turn in homework or projects on the assigned due date may result in a grade deduction and/or a disciplinary consequence.

Junior High (Grades 5 - 8)

- Failure to turn in homework or projects on the assigned due date will result in a grade deduction or a zero for the assignment.
- Students who engage in any form of academic dishonesty (cheating, copying homework or giving one's own work to another to be copied, submitting another's work under one's own name, plagiarism, forging a parent's signature, or giving or receiving information during a test or quiz) will receive a zero for the assignment. Students may also receive an automatic detention for the offense. Students who engage in an academically dishonest manner more than once during the year may be suspended.

Behavioral Consequences

Students who choose to violate School Rules and engage in misconduct, and thus detract from the community, also choose to accept disciplinary consequences.

DISCIPLINE

One of the most important lessons education should teach is discipline. It is the training that develops self-control, character, orderliness, and efficiency. Discipline is the key to good conduct and proper consideration for other people. Therefore, any infraction which would result in a breakdown of this atmosphere will be handled by school authorities with action appropriate to the situation. Students of St. Peter the Apostle Catholic School are to have respect and courtesy for all persons and for all property.

DISCIPLINARY GUIDELINES

Disciplinary action is designed not only to correct misconduct, but also to encourage and motivate students to become responsible citizens of the school community. To that end, the teachers and administrators use their professional judgment to determine appropriate disciplinary action based on the following:

- Seriousness of the offense
- Student's age
- Grade level
- Ability and functioning level
- Frequency of misconduct
- Student's attitude
- Effect of misconduct on the school environment

DISCIPLINARY MEASURES

For misconduct one or more of the following disciplinary measures may be taken:

- Withdrawal of privileges or time apart from classmates for a portion of the day
- Written assignment
- Conference

- Lowering of the conduct grade in a class
- Detention
- In-school suspension (ISS)
- Out-of-school suspension (OSS)
- Expulsion

SEVERE DISCIPLINE ISSUES

To ensure the safety and security of all members of the community, committing one of the following offenses means the student is subject to immediate separation from St. Peter the Apostle Catholic School.

- Knowing and willful possession, transmission, or use of illegal drugs on school campus, on/or during related functions
- Knowing and willful possession, transmission, or use of a weapon of any kind on school campus, on/or during related functions

- Any other behavior which the principal, in consultation with the pastor, considers serious and detrimental to the safety/security/welfare of the school

In the case of expulsion, students are dismissed from the school and are no longer able to attend or be readmitted to St. Peter the Apostle Catholic School. Expulsions may be used in the event of any single serious offense or a series of repeated offenses, which in the judgment of the principal constitute chronic and/or incorrigible conduct, behavior, or habits.

THE PRINCIPAL (OR HIS/HER DESIGNEE) WILL HAVE THE AUTHORITY TO PRESCRIBE ALTERNATIVE DISCIPLINARY MEASURES WHEN SUCH ACTIONS ARE NECESSARY.

Pay/Replacement Plan: Certain offenses warrant immediate payment for repair and maintenance or replacement of property.

- Stealing
- Defacing books, equipment, and furniture
- Vandalizing school or personal property
- Destroying school or personal class materials
- Lost texts or workbooks.

HARASSMENT

St. Peter the Apostle Catholic School is committed to a policy of non-discrimination within all school programs and activities. Harassment of employees or students is not condoned in a

Christian environment and is strictly prohibited at St. Peter the Apostle Catholic School. All allegations of harassment will be taken seriously and promptly investigated.

Harassment includes, but is not limited to, the following behavior:

- Verbal conduct such as epithets, derogatory jokes or comments, slurs or unwanted advances, imitations, or comments.
- Visual contact such as derogatory and/or sexually oriented posters, photography, cartoons, drawings, or gestures.
- Physical contact such as assault, unwanted touching, blocking normal movements, or interfering with work, study, or play.
- Threats and demands to submit to inappropriate requests as a condition of continued employment or grades or other benefits or to avoid some other loss and offers of benefits in return for inappropriate favors.
- Retaliation for having reported or threatened to report harassment.

Any student or teacher who believes he or she has been the subject of harassment shall report the alleged harassment in writing to the school principal. The principal will take whatever actions he/she deems necessary to investigate the complaint, including but not limited to interviewing the accused person, the accusing person, and any witnesses. The principal will render a decision within thirty days of receiving the complaint.

DISCIPLINARY PROBATION

Disciplinary Probation is defined as a trial period, determined by the administration, wherein the student attempts to rectify his or her behavior. Disciplinary Probation may include counseling, a Responsibility Contract, denial of privileges, such as athletics, participation in club or organization activities, or holding an office in a club or organization. This is a period of conditional re-enrollment and may be lifted if positive steps are taken by the student to improve his or her behavior. A student may be placed on Disciplinary Probation without having been suspended.

DISCIPLINARY RESPONSIBILITY CONTRACT

A Disciplinary Responsibility Contract may be issued to a student who insists that he or she wants to attend St. Peter the Apostle Catholic School but whose past behavior has been unsatisfactory. Specific requirements for improvement will be tailored to the student's individual needs and will be spelled out in the Disciplinary Responsibility Contract. Such a student and his or her parent or guardian must sign a Disciplinary Responsibility Contract with the school administration which spells out renewed cooperation.

Students who have served repeated detentions or suspensions during a school year and who are planning to return to St. Peter the Apostle Catholic School for the next school year may be issued a Disciplinary Responsibility Contract for the first quarter of the following school year as a condition of re-enrollment.

PRINCIPAL'S DISCRETION

If, during the course of the school year, a situation arises that is not addressed in the *St. Peter the Apostle Catholic School Parent/Student Handbook*, the principal, in consultation with the pastor, is empowered to implement procedure that supports the common good of the school community.

**** THE ADMINISTRATION RESERVES THE RIGHT TO INCREASE OR CHANGE PUNISHMENTS IF A MORE FITTING PUNISHMENT IS WARRANTED.**

SCHOOL - HOME PARTNERSHIP

As members of a Christian community, St. Peter the Apostle Catholic School expects the very highest standards of conduct and courtesy of both students and their parents as well. Any student who does not abide by the school rules and regulations, or whose conduct is such that the learning process or behavior of the other students is adversely affected, may lose privileges, receive infractions or extra written assignments, confer with the teacher and/or administration, or receive a detention. He or she may also be suspended, expelled, or asked to withdraw from school. These same standards apply to parents as well, and parental behavior may result in suspension or expulsion of the parents' child(ren), separate and apart from the child's conduct.

Parents and teachers must be in a partnership for the school to successfully educate the students who are enrolled.

- The parent can expect to be treated with respect at all times and to have access to teachers and administration at mutually convenient times when concerns arise.
- Teachers and administrators can expect to be treated with respect at all times and to have access to parents at mutually convenient times when concerns arise.
- Parents who have a concern should first contact the teacher directly. If a satisfactory solution is not reached, then a three-way conference of parent-teacher-principal/assistant principal will be scheduled. The student will be involved in most conferences and problem-solving decisions. This will enable the student to take ownership of his/her education and choices. **A strong, cooperative partnership between home and school is an essential ingredient in effective education.**

CONFIDENTIALITY

Teachers will keep confidential information entrusted to them as long as no one's life, health or safety is at stake. Parents will be promptly notified of teacher concerns.

COUNSELING

Professional counseling services are available through Catholic Charities. Parents may seek services as a family or for their children by calling 817-560-3300 and requesting an appointment.

CUSTODY

This school abides by the provisions of the Buckley amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, the school will provide the non-custodial parent with access to academic records and other school information regarding his/her child. If a court order specifies that there is to be no information given, it is the custodial parent's

responsibility to provide the school with a court-certified copy of the court order. If legal interpretation is needed, the cost of this will be charged to the parent raising the question.

DIRECTORY

A directory of all families is available from St. Peter the Apostle Catholic School.

ELECTRONIC DEVICES AND CELL PHONES

Students are not allowed to possess on campus electronic devices such as radios, beepers, compact disc players, Ipods, MP3 players, etc. without prior permission from the teacher or administration. Because of after school activities and the need to reach parents after school hours, cell phones are allowed with the following restrictions:

- Cell phones **MUST remain turned off and remain in the student's back pack during school hours or given to the homeroom teacher upon arrival.**
- Students using cell phones, IPods, or MP3 players (whether audio, text message, or camera feature) during class are subject to an automatic detention or suspension. These devices will remain in the school office until the parent/guardian pick them up.
- The school is not responsible for any lost or damaged cell phones or electronic devices.

EMERGENCY SCHOOL CLOSINGS

INCLEMENT WEATHER

In the event of severe weather, St. Peter the Apostle Catholic School will generally, but not always, follow the decision of the White Settlement School District. Television station Channel 5 (NBC) and www.nbcdfw.com will run announcements of any school closings. If the school is open, but you find that the roads are hazardous in your area, please wait until the traffic eases before you venture out. Children are not counted tardy when they arrive late on bad weather days. Please use discretion and good judgment on whether to come to school in bad weather.

EVERYDAY WAYS TO HELP ST. PETER THE APOSTLE SCHOOL

During the school year, soup labels, box tops and proofs of purchase for certain items are collected, allowing the school to earn money to purchase supplies for the classrooms. How can you help? Just save your Campbell Soup Labels, Box Tops for Education, and empty computer ink cartridges and send them to school in a sandwich bag with your child's name and class written on it.

What easier way to help out your school than shopping? Each time you use one of our frequent shopper cards, a percentage will be given to SPS! There are 3 frequent shopper cards that pay SPS each time you shop at these stores:

√ **Kroger**

Pick up a refillable card in the school office and show it each time you shop or buy gas at a Kroger station. SPS receives 5% of sales.

√ **Tom Thumb**

The SPS # you need to use with your Tom Thumb Rewards Card is #11232. Tom Thumb donates 1% of aggregate SPS purchases quarterly. Registration forms are available in the school office.

√ **Albertson's**

Link your Albertson's card to SPS Community Partner #49000900401 Albertsons donates 2-5% of aggregate SPS purchases quarterly. To register your card online go to www.albertsons.com/cp/ and login using Albertson's Preferred Card number. Then select My Account to add SPS as a Community Partner. You may also obtain a sign up sheet in the SPS Bookkeeper's office.

EXTENDED DAY PROGRAM

St. Peter the Apostle Catholic School Extended Day program is under the direct supervision of the principal; therefore the students receive the consistency of both the guidelines and the staff he/she is familiar with throughout the day.

The Extended Day program is not a day care program and legally cannot operate as one. Extended Day may only be open on days the school is open and will be closed on school holidays. It may not be available on days prior to major school holidays or on other occasions when the faculty needs to be together. These days may or may not be on the school calendar; the days will be published as soon as they are available. Extended Day is open only to registered SPS students. The before school program is from 7:00-7:30 a.m. and the after-school program begins at 3:30 and runs until 6:00 p.m. The children are supervised at all times, with the schedule including snack-time, playtime, and study hall period for grades 2-8.

Extended Day can be used on a weekly as well as a drop-in basis. For specific fees and other details, please contact the school office. **Families must pay their Extended Day fees promptly. Extended Care privileges will be revoked if accounts are more than a month past due.**

EXTRACURRICULAR PROGRAMS

SPORTS PROGRAM

The purpose of the sports program at St. Peter the Apostle Catholic School is to support and enhance the character growth of each student through developing a sense of discipline, hard work, teamwork, and the individual pursuit for excellence. In that sense, the following rules of conduct and code of ethics were devised to provide a structured framework within which each student/athlete is expected to behave and conform.

Eligibility for Participation

- Students are required to maintain at least a "D" in each subject. Any student who receives

a failing grade in a subject on a progress report or a report card cannot participate in any sports activity. Grades will be checked at one week and again at two weeks following the failing report, and if the student is passing all subjects at either time, eligibility can be reinstated.

- At least one parent or guardian must attend a *Play Like a Champion* parent session before the child may practice or play on a team.
- An annual sports physical must be completed and returned to the school.
- A player/parent agreement must be signed and returned prior to the beginning of each sport.
- If a player becomes a discipline problem during school hours or at the extra curricular activity, he/she may be asked to refrain from participation in the sport.
- All students participating and/or signed up for a sport will be required to attend all scheduled games and practices. A student will be excused only with a written notice from his/her parent/guardian to the Athletic Director or direct communication to the coach prior to the game or practice. Failure to do so will result in disciplinary action according to the student/parent agreement for each sport.
- Scheduled practice times will be set by the coaches and Athletic Director.
- If a student is absent from school, he/she will not be allowed to participate in the practice or game for that day.
- All sports competitions (games, meets) will start with a prayer to be led by the coach.
- Any unsportsmanlike or unchristian like conduct will not be tolerated, such as
 - Profanity
 - Disruptive behavior toward the coach, team members, officials, and/or opponents.
- Any disciplinary action during practice or competitions will be determined by the coach and the Athletic Director. The administration should be informed promptly. Repeated infractions will result in a conference between student, parent, coach, and administration.

Diocesan Athletic Eligibility Requirements

1. A player must attend the school he/she represents.
2. A parental consent form must be submitted to the school for each player.
3. An eighth grader must not be 15 years old before September 1st of the current school year; a seventh grader must not be 14 years old before September 1st of the current school year; a sixth grader must not be 13 years old before September 1st of the current school year.
4. With permission of the principal, fifth graders may play on a sixth grade team.
5. Principals may declare a player ineligible for serious disciplinary reasons.
6. Physical Examination: According to Diocesan policy any student who participates in the program provides the school with evidence of a complete, satisfactory physical examination within 60 days (or on or after June 1 of the current school year) prior to the beginning of the current school year.
7. A sports calendar will be drawn up annually in the spring for the following school year. The approval of the sports calendar will be on the agenda of the last principals' meeting of

the current school year.

8. Academic Eligibility:

- Student athletes must maintain a passing status in academic subjects in order to participate in Diocesan Interscholastic Sports' Program competition.
- These minimum requirements will be used in conjunction with the standards established by individual schools.

STUDENT COUNCIL

Student Council is an organization of elected representatives from grades 6, 7, and 8. Its purpose is to foster the leadership skills of its members and help them to develop a sense of responsibility for the school as a community. The Student Council plans a number of activities and service projects to help fulfill its purpose.

Conditions Affecting Participation in Student Council

A member may not receive any grade lower than a 70 in any subject area on the progress report or report card. If this happens, the member will be placed on probation for the next grading period. If the grade falls below 70 at the end of the next grading period, the member will be dropped from Student Council.

If a student becomes a discipline problem, he/she may be asked to give up his/her seat on the Student Council.

NATIONAL JUNIOR HONOR SOCIETY

In the spring of each year, students in grades 6-8 will have the opportunity to apply for the National Junior Honor Society. Students with a cumulative grade average of 90 or above will receive applications to join the society. Students who receive an invitation are not required to continue with an application. Applications will be reviewed by the Faculty Council on the basis of the following criteria:

- **Scholarship:** In order to have received an application, the student has already fulfilled the first criteria which is a cumulative grade average of 90 or above. In addition, the committee will use the application, in particular the Awards and Honors section, to find other examples of scholarship (ex: Science Fair Awards, Duke, TIP, honor roll, etc.)
- **Leadership:** Students should show that they have been elected or appointed to a leadership position in a club, sports team, or other organization. The Council may also take into consideration leadership in the classroom and the example the student gives to their peers and those in lower grades.
- **Service:** Students must demonstrate (through proper documentation on the application) that they give their time to help others in the community
- **Character/Citizenship:** These two standards go together to some extent. Students to be accepted to the society must show that they are well-rounded and involved in various activities not only but outside of school. Their behavior should be exemplary showing no or very few detentions. In addition, the members of the Faculty Council discuss behavior and attitude in the classroom.

Students selected to join the Taylor Bradshaw Chapter of the National Junior Honor Society will be inducted in a special ceremony. These students will also be expected to maintain (or exceed) these standards each year. Each subsequent year the students will be required to fill out a maintenance application to show that they are still worthy of membership.

FIELD TRIPS

School field trips are encouraged as educational and cultural experiences. Trips are correlated to classroom instruction to create and maintain interest in many phases of the curriculum. The teachers may request trips if they believe that a particular opportunity will greatly enhance the student learning. No class is required to take field trips, and no grade should anticipate a field trip as an annual event. Each teaching situation is unique, and the teacher is the best judge of what will be beneficial for the teaching/learning of a given lesson.

Participation in field trips is a privilege, not a right. Students considered by the teacher to be disruptive may be restricted from participating in field trips or a parent may be required to accompany the student. If a child is not allowed to attend a field trip, parents must keep child at home.

Permission forms are required for student participation on a field trip. Telephone calls will not be accepted in lieu of written permission. A form is provided on the school's website in the event that your child does not get the signed form turned in on time. You may fill in this form and fax the signed form to the school office. The FAX number is 817-246-4900. A child that does not have a signed permission slip by the due date will not be permitted to attend the field trip.

Parent drivers are required for field trips. Parents wishing to participate need to check in with the office to make sure they meet diocesan requirements for drivers at least 2 (two) days prior to the trip. Parents driving on field trips must meet Diocesan Insurance Requirements, have taken the *Keeping Children, Youth, and Vulnerable Adults Safe* workshop, and have a Diocesan Form on file in the school office. Per Diocesan Policy, a copy of current insurance registration card and driver's license are required. Parent chaperones also must have taken the *Keeping Children, Youth, and Vulnerable Adults Safe* workshop, and they should plan childcare arrangements for their other children so that they can be free to provide the supervision necessary. **Siblings and/or extra family members are not allowed on field trips.**

GRIEVANCE PROCEDURE

Our goal at St. Peter the Apostle Catholic School is to make every effort to ensure effective communication between families and staff, but from time-to-time a misunderstanding will occur. Please refer to the following guidelines and procedures:

1. Grievances are handled most satisfactorily at the level at which they occur. Therefore, if a parent has a staff-related grievance, an attempt must be made to settle the matter first with the staff member.
2. If no satisfactory solution is reached, the family should contact the Principal/Asst. Principal.
3. Allow yourself time to consider all options. Please respect a 24-hour grievance policy and do not confront teachers, coaches, or administration while emotions are high. **Under no circumstance is a parent to disrupt a teacher during class time.** Please respect everyone's privacy and do not call teachers at home.

4. If you have a concern that involves a child other than your own, please talk to the teacher about this concern. Do NOT talk to the child with whom you are concerned.

Hopefully, we can resolve any concern informally in an open, cooperative, Christian atmosphere. In this spirit, we may model peacemaking with each other for our children.

HEALTH AND SAFETY

In order that every child in school be protected from communicable disease and physically able to participate in the school programs, the Texas Department of Health has established minimum health requirements. Health and safety instructions and services shall be provided for all students in compliance with the guidelines of the State Health Department and other agencies. Each school must follow the regulations and guidelines in the TCCED Health Manual.

ACCIDENTS

In the event that a student is seriously injured, the principal or the school receptionist will contact a parent or contact person. If no one can be reached, 911 will be called. If it is determined that the child must be transported for emergency medical care, the original signed copy of the parent's release to obtain medical care (usually on student's emergency card that was completed at the original time of registration) and a school staff member must accompany the student and stay with the student until a parent is present. An accident report must be completed and kept on file for every incident occurring on school premises for which professional medical care was sought. The school does not assume any responsibility for either medical or hospital expenses of a student.

CRISIS MANAGEMENT PLAN

FORMS

A health examination is required for all first time entrants or all new students to the school system in the Diocese of Fort Worth. This information must be turned in for registration to be complete. For participation in sports, this physical examination is required each year to be completed **after June 1** for the upcoming school year. All schools of the Diocese use the **Catholic School Health Record Form** for maintaining health data on students.

ILLNESSES

This school provides a health office, overseen by the school receptionist or designated person, to handle illnesses and emergencies that arise during the school day. The child's condition will be assessed and he will be allowed to rest in the office for a brief period. However, if his condition does not improve such that he can return to class within one hour or if he has a temperature of or over 100 degrees, he will be sent home. **It is important that we have a current phone number for a parent or designated person who could be notified to take the child home.** A child may leave only with one of the above and **MUST BE** signed out in the nurse's office upon leaving campus.

A physician's note is required to excuse a child from PE or outside recess. In the event of an incident occurring during the day, the school nurse will write a note.

In order to prevent the spread of disease, we ask that you do not send your child to school if he is exhibiting any symptoms of illness or running any fever. If he has been ill, it is required that he be free of fever for 24 hours prior to returning to school. Also if he has missed more than three consecutive days due to illness, a note from your physician is required.

IMMUNIZATIONS

A child will not be registered if he does not meet the Texas Health Department immunization requirements for students who attend school in the Diocese of Fort Worth. **A complete copy of the student's immunizations, validated by a physician, must be furnished to the school nurse before he/she may enter school on the first day.** A copy of the **official Birth Certificate** is required for all new students in PK, Kindergarten, and Grade 1. A hospital birth certificate is **not** acceptable.

MEDICATION POLICY

ONLY necessary medications (prescribed for, but not limited to, the treatment of Diabetes, Epilepsy, ADD/ADHD, and Asthma) may be given at school. All medication should be given outside of school hours if possible. Three-times-a-day medications should be given before school, after school, and at bedtime for optimal coverage. All necessary medication prescribed for a student by a doctor must have the **Diocesan Medication Permit Form filled out and signed by the physician and parent.** This form may be obtained from the school office. All prescription medication must be in the prescription bottle and labeled with a current pharmacy prescription label. "Over the counter" medication must be in the original labeled container. Medications sent in baggies or unlabeled containers will not be given. The **parent** is responsible to bring all medication to the office and to pick up unused medicine or it will be destroyed at the end of the school year. All medication must be kept in a locked cabinet/drawer in the school office and administered in the school office. Antibiotics will not be given at school by school personnel. If the parent feels the antibiotic must be given during the school day, the parent may come to the school office/clinic and administer it.

PEST CONTROL

Texas state-regulated structural pest control regulations are followed when treating school for any type of pest control.

SCREENINGS

State law mandates vision, hearing, and scoliosis screening. Screenings will be done unless parents provide documentation from a physician that testing has been done and the school has a written statement from the parents that they do not wish for it to be done again.

If a child is having difficulty in school due to a possibility of difficulties with attention or focus on classroom studies, speech difficulties, or possible emotional health issues, the school may request that a screening be done to identify these difficulties that could hinder the learning process.

LIBRARY

Grades PK - 4 attend library at least once a week, and the literature teacher takes Junior High students to the library on a regular basis. Individual students may attend more often at each teacher's discretion, or teachers may take students to the library for research and other curricular activities. Students may check out one to two books per weeks. Library books are due the next library class period.

A fine of 25 cents per day (counted on school days only) will be assessed if the books are not returned on time. Students must replace lost books.

LOCKERS

Student lockers in the Junior High are available for textbooks and school supplies that are required at that time. Lockers may not be decorated. The school reserves the right to inspect the lockers, gym bags, book bags, and purses at any time. Students are not permitted to go to lockers during class time, and students will change books at their lockers at specified times.

LOST AND FOUND

All lost and found articles are held for a reasonable period of time. If not claimed, they will be sent to the poor. Lost articles may be found in the container in the gym. All personal belongings should be clearly labeled for easy identification.

PARENT ORGANIZATIONS

HOME AND SCHOOL ASSOCIATION

The Home and School Association is a group of parent-led committees that organize fun family events, fund raising projects, spirit-building events, and support the students and faculty of the school. SPS room parents are required to attend Home and School meetings as part of their duties. Money raised by the Home and School helps with the school's expenses, as well as enables us to enrich the school environment with additional resources. The Home and School Association is always looking for fresh ideas, enthusiastic participation and committed parental involvement. Elections for Home and School officers are held in the spring.

SCHOOL ADVISORY COUNCIL

The St. Peter the Apostle Catholic School Advisory Council is an advisory council to the principal and pastor. The School Advisory Council (SAC) assists the principal and pastor in developing and implementing policies and programs in order to achieve and maintain the mission statement of the School. Meetings are held every four - six weeks during the school year, and are open to all parents, unless otherwise noted.

Parents wishing an item to appear on the School Advisory Council's agenda must notify the president in writing two weeks before the subsequent meeting. Parents interested in becoming a council member may do so by contacting the school office in the spring of the school year.

The Advisory Council does not:

- Discipline students
- Develop curriculum
- Approve instructional materials
- Hire/fire staff
- Write regulations
- Handle grievances

SPS MEN'S CLUB

The SPS Men's Club is an organization of fathers and friends of St. Peter's who join together for fellowship, fundraising and to aid in the development and growth of SPS. More information about the club is available through the school office.

RECESS AND OUTSIDE PLAY

- Students are to stay away from Church buildings, sidewalks to the Church, cars and designated parking areas, Church grass, and the street. They should always be in view of the teacher(s) on duty in the school yard.
- All teachers are to be outside before the bell rings to line up and bring in their classes. Students are reminded to walk quietly (not run) to lines, into and out of buildings, etc.
- Students must get permission from recess personnel before going inside the building to restrooms, etc.
- At all times, all students must **STOP** immediately when a **WHISTLE BLOWS** or the **BELL RINGS**.
- Each grade has its own supply of equipment and is responsible for its collection at the end of recess.
- Equipment is to be used for play and not for abusing others
- NO ONE is allowed in the GYM or SCHOOL building during recess without permission.
- Equipment and courts must be shared equally among all grades at all times.
- For the safety of all involved, students are to follow the guidelines set out by teachers and administration for recess.

RELIGIOUS FORMATION

Formal Religion Program

Every student at SPS receives age-appropriate religious instruction. Non-Catholic students are also required to participate in religion classes. The *We Believe/Blessed Are We* Series, Sadlier/RL Benziger Publications, is used for grades PK - 8. The spiral learning approach introduces and reinforces doctrine, Scripture, and the liturgical year every year on every grade level. Lessons include ideas, suggestions, and additional background information, and connections to the *Catechism of the Catholic Church*, the *National Directory for Catechesis*, Catholic Social Teaching, liturgy tips, teaching tips, and special needs. This series offers a web site that can be used by parents, students, and teachers.

Prayer, Liturgical Programs, and Assemblies

The students experience many kinds of prayer. Throughout the year we have classroom prayers and scripture readings. As a school, we attend weekly Mass every Friday morning at 8:00 a.m. Parents and family members are always invited to attend. We ask parents to allow their students to sit with their classes during Mass, as it is part of their religion curriculum (learning parts of the Mass, proper behavior and responses, etc.). Classes rotate the responsibility of preparing the Mass. Students wear Mass uniforms, no exceptions.

All students are to be on their best behavior while attending Mass and other liturgical services.

Courtesy is expected of all students during any assembly program, and students are always to give guests and speakers a respectful welcome.

Altar Servers

Altar server duty is rotated among those students who have taken the required training. Servers are asked to arrive by 7:40 a.m. on the day they are to serve. If a student does not arrive by 7:50, another student will be asked to substitute. Occasionally, servers may be asked to serve a funeral Mass during the school day.

Sacramental Programs

The second grade program covers the doctrine necessary for the preparation of the student for the reception of the sacraments of Eucharist and Reconciliation. Students have the opportunity at school to receive the Eucharist at weekly Mass and Reconciliation during specified times of the year.

Service

Service is an integral part of the Religion Program. At the Offertory of each Friday Mass, students are encouraged to bring non-perishable goods up to the altar, which are then donated to the St. Peter Food Bank. We ask all families to try and participate each Friday. In addition, we also respond to special needs that arise during the school year.

SERVICE PROGRAM (SPS VOLUNTEER PROGRAM)

THE RATIONALE

The benefits of total family involvement in our community are real. Parents and family members who provide service to the school help to strengthen and increase our spiritual and academic environment. National studies also indicate that students perform at higher levels when parents are actively involved in their children's school. Additionally, service hours contributed at SPS help to keep tuition costs as economical as possible by providing tasks and materials necessary for the school's operations.

THE REQUIREMENTS

Each family is asked to provide a minimum of 30 recorded service hours per year. The Service Hour calendar begins in July and ends on May 13, unless prior arrangements have been made.

WHAT QUALIFIES AS SERVICE AT ST. PETER CATHOLIC SCHOOL?

- Almost all efforts directed toward assisting our school are acknowledged. Service hours may be counted for volunteer hours in any of the many activities sponsored by St. Peter School, our Home and School Association ("H.S.A."), Men's Club, or School Advisory Council, which are summarized in this packet titled "Service Hours Opportunities." Please keep in mind that every effort will be made to assist single parents, working parents, and parents of infants who may require "take home" work. Please let those committees in which you are interested know if you need assignments that can be completed at home.
- Additionally one service hour may be earned for every \$10.00 spent toward a school donation or requested school purchase (Snack Wagon, supplies, etc.). Please note that all other donations may qualify for service hours **OR** a tax-deductible donation as long as a receipt is given to the school. You cannot receive service hours for donations that produce a tax-deductible donation letter from the school. Furthermore, service hours **cannot** be given for events that are not school sanctioned **or** for private purchases at fundraisers (i.e. – money spent for your family's benefit such as cookie dough or auction items.)

- Every \$10 spent equals 1 service hour. Amounts over \$50 require school approval in advance and a receipt.
- Please mark your receipts as “**Service Hours**” or “**Tax-Deductible Donation,**” for how you want these used. If you are expecting reimbursement for authorized purchases, you will not receive either service hours or a tax-deductible donation letter.

RECORDING SERVICE HOURS

Families are responsible for keeping a record of their service hours and documenting them in the “**SERVICE HOURS NOTEBOOK**” which is kept at the window of the school administrative assistant.

- There is a designated page for each family at St. Peter School.
- Please round your time up or down to the nearest ¼ hour.
- If you reach 30 hours before the end of the year – don’t stop recording!
(It is important for us to know how many hours are logged for the various fundraising events / committees.)
- A copy of the Service Hour Summary form that you can download and print will be available on the school website at www.spsfw.org
- Forms can be completed and sent to the school office if you are unable to come in and record your service hours in the “**SERVICE HOURS NOTEBOOK**”

Technology and Technology Policy

We at St. Peter the Apostle Catholic School strive to prepare our students for their future, academically and beyond. Technology must certainly be a major component in that preparation. We are taking the necessary steps to ensure that all students have an opportunity to master the elements of technology they will need to have a productive future. We understand that technology should be one of the major tools by which students learn to manage the ever-increasing base of knowledge they will need to achieve success.

All students from first through eighth grade attend regularly scheduled computer literacy classes in our fully networked Computer Lab. Presentation systems and/or televisions are being added to the classrooms to allow for platform teaching (teaching with the use of a multi-media presentation, such as Power Point or e-instruction). The school is networked, allowing for Faculty/Staff e-mail and supervised Internet access from every classroom and lab.

Forms stating appropriate use of school technology are handed out in the registration packets. A copy of the Acceptable Use Policy for Technology Agreement is also located in the Appendix of this Handbook. Student and parent/guardian signatures are required.

TEXTBOOKS

The Diocesan Education Office has approved all textbooks that are used at St. Peter the Apostle Catholic School. Textbooks are the property of the school and are for the students' use on a yearly basis. All students will obtain and return textbooks in good condition. Students will be fined for lost or damaged books. If the textbook is lost or damaged beyond use, the replacement value will be billed to the parent/guardian. The replacement value will depreciate after 3 years by 10% each year of use. In cases of excessive damage to a book that is still usable, a fine of up to the cost of the book's replacement will be charged.

TRANSFER

When a student transfers to another school, the principal and teachers should be notified in advance. All books must be returned. Upon request by the new school, a transfer form will be issued and all school records will be mailed directly to the registrar. ****No transcripts of grades, health records, etc., will be released to the receiving school unless all financial obligations have been met.**

UNIFORM POLICIES AND DRESS CODE

The uniform code of St. Peter's school plays an important role in the school: it unifies us as a community, it takes the focus away from how we look and places it on how we act, and it discourages us from spending unnecessary money on items we may not need. All students should take pride in the Saint Peter's uniform and remember that they represent their school when seen in uniform. Students are expected to be in uniform when they are on campus, and **all** students are expected to fully comply. All faculty and administrators are responsible for calling a student's attention to anything that is not uniform. Uniforms are monitored on a regular basis, and rules will be enforced. 1290 DISABILITY DISCRIMINATION COMPLAINT REVIEW PROCESS

Section 504 of the Rehabilitation Act of 1973 is a Federal statute that prohibits discrimination on the basis of disability. The purpose of this Complaint Review Process is to provide a structure for bringing about resolution and reconciliation when disagreements arise between a school family and the School arising out of a student's physical or mental impairment or disability.

Everyone involved in the Complaint Review Process is to be free from restraint, coercion, discrimination, or retaliation in any form. The Complaint Review Process should be used when issues arise at the School relating to your child's disability that have a significant impact on your child and you have been unable to reach a resolution with your child's teachers or other members of the School staff.

I. INITIAL COMPLAINT PROCESS

1. If you have a complaint or disagreement regarding your child's disability, you should first try to resolve your complaint by discussing it promptly with the person(s) involved.
2. If you cannot reach a resolution or you are not comfortable with discussing the issue with the person(s) directly involved, you may bring the matter to the Principal of the School. Notification to the Principal must be written and within fifteen (15) days of the event which is the subject of your complaint. If you do not submit a written complaint to the Principal within the fifteen (15) day period, your complaint will be considered untimely.

3. The Principal will conduct an investigation as promptly as possible. The scope and nature of the investigation will depend on the nature of the issue presented. The goal is to achieve a just resolution and reconciliation with everyone concerned. The parties are advised to maintain confidentiality. The Principal will advise you in writing of the outcome of the investigation and his or her decision of submission of your written complaint.

II. REVIEW LEVEL

1. If you disagree with the decision of the Principal, you may appeal the decision in writing to the next level for review within fifteen (15) days from the date of the Principal's written decision or your appeal will be considered untimely. The request for review must be sent to the Superintendent of the Catholic Schools of the Catholic Diocese of Fort Worth. The Superintendent can be reached at the address of The Catholic Center, 800 West Loop 820 South, Fort Worth, Texas 76108-2919, and telephone number (817) 560-3300.
2. The Superintendent will set the date, time, and location for the review. Your review may be conducted by a single person or by a representative committee, as the case warrants. All persons involved in the complaint may select someone to help in preparation for the review, to attend the hearing, and to provide support during the process. No attorneys are allowed to appear at or participate in the hearing. The hearing will be set after receipt of your request for review, giving consideration to the schedules of all persons involved.
3. At the Review Hearing:
 1. You explain your complaint, present relevant documentation, and answer questions the reviewer(s) may have.
 2. The reviewer(s), interview(s), or other parties involved in the case, giving each an opportunity to respond to the complaint and present relevant facts and documentation.
 3. The reviewer(s) will encourage the parties to reconcile their differences and come to a mutual agreement on some or all issues.
 4. If the complaint cannot be resolved at the review hearing, the reviewer(s) will prepare a final, binding decision, which will be communicated to all parties, in writing, within ten (10) days of the hearing. The decision of the reviewer(s) is final and is not to be subject to any other grievance, arbitration, review, or reconciliation procedure of the Catholic Diocese of Fort Worth.

Your participation in this Complaint Review Process does not prevent you from making a complaint to an applicable government agency.

HOW TO REQUEST A MINOR ADJUSTMENT PURSUANT TO SECTION 504 OF THE REHABILITATION ACT OF 1973

If you feel that your child with a disability needs a minor adjustment to enable him/her to

participate in the general education curriculum of the School, please talk to your child's teacher and/or Principal of the School. Be prepared to submit medical documentation to verify both your child's disability and the nature and extent of the requested minor adjustment.

STUDENT NON-DISCRIMINATION POLICY

The School, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, nationality, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the School.

The School does not discriminate on the basis of race, color, disability, sex, nationality, and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation.

While the School does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities, and the resources available to the School in meeting the student's needs.

5212 REQUIREMENTS FOR INDIVIDUALS WISHING TO COME ON SCHOOL PROPERTY OR ATTEND SCHOOL ACTIVITIES

Parents and other individuals are welcome to visit the schools of the Diocese and to attend school sponsored activities. During school hours, all parents and visitors entering the school property, other than to deliver or to pick up the child, must first go to the school office, sign in and obtain a visitor's badge. Obtaining a school badge does not allow an individual to disrupt a teacher during class time or visit the class room during class. In order to visit the classroom during class, written permission from the principal stating the reason for the visit must be obtained in advance. Generally, two (2) days' advance notice is required, but if circumstances permit and the reasons are warranted, principals may establish either a longer or shorter period. The principal will respond to the request either approving the request with possible restrictions or denying the request. Teachers are to refer any parent visiting the classroom without the approval of the Principal to the school office and the parent will be asked to leave the school immediately.

An individual who (1) has been convicted of sex related crimes or a crime involving a minor and (2) does not have a child or grandchild attending the school is not welcome on the school property or to attend school sponsored activities. A parent or grandparent of a child attending the school and who (1) has been previously convicted of a sex related crime or a crime involving a minor and (2) wants to visit the school or to attend a school sponsored activity must submit a written request to the principal prior to the anticipated visit. Generally, at least five (5) school-days' advance notice is required and the request must provide the school with written documentation concerning each such conviction, including but not limited to all details concerning probationary status or restrictions. The principal will respond to the request either approving the request with restrictions or denying the request. If the individual is allowed to come on to the school property or to attend a school sponsored activity, the school will provide the individual with the written

conditions for the visit, which may include supervision by school personnel during the time of the visit. If the individual fails to comply with the written conditions established by the school, then the individual will be denied permission to be on school property and/or to attend school sponsored activities.

Companies who provide contracted services to the school are required to give letters of recommendation on behalf of each contracted employee as well as provide appropriate documentation that each employee has completed a criminal background check. Under no circumstances will a company send the school a contracted employee who has been previously convicted of a crime involving a minor. Failure by companies providing contracted services to comply with these procedures and the safe environment policy as established by the Diocese of Fort Worth may be considered breach of contract and result in termination of the contract.

More detail regarding this issue can be obtained in the Diocese of Fort Worth Safe Environment Policy and Code of Conduct.

5217 STATUTORY NOTIFICATION OF A SCHOOL OF THE ARREST OF A STUDENT
